

## **Rebuttal to Argument in Favor of Proposition 1A**

Proposition 1A was cooked up at the last minute as part of a bad budget deal.

There were no public hearings.

Proposition 1A protects local governments, but it hurts education by allowing the State to raid your property taxes that fund your local schools. And it puts that into the State Constitution!

Proposition 1A prevents the Legislature from lowering taxes by locking in the local sales tax rate. That goes into the State Constitution too!

Proposition 1A jeopardizes critical programs. As California's fiscal challenges continue, the State budget ax will fall even harder on funding for K-12 education, higher education, children's health care, programs for seniors, and public safety.

Proposition 1A gives local politicians a blank check without any scrutiny over how the money is spent.
